PROFESSIONAL EXPERIENCE

DATA ANALYST (INTERN)   **October 2024 – Feb 2025**
MVP STUDIO – SYDNEY NSW

MVP Studio is a start-up incubator that undertakes software product development for Start-ups and Enterprises. I am currently working on a cloud-based Property Investment and Management Platform, specifically targeting the Data Integration of Australia's Property data. I
I am also designing the Data Warehouse solution for the visualisation and reporting services. My responsibilities are as follows:

- Proficient use of MSSQL Server, SSIS, Power Query, SSRS and Power-BI to develop the solution.
- Creating and maintaining SSRS reports using a data warehouse as the data source
- Integrating property data from multiple government data sources to build a complete data set.

- Design of the Data Warehouse and SSIS package consistent with the design.
- Creation of SQL queries, stored procedures, and functions to implement medium-to-complex.
- Business logic for reporting and analysis purposes
- Query optimisation of SSRS reports and stored procedures.

DATA ANALYST (INTERN)   **May 2022 – Aug 2022**
HYDRIZON.COM – CHIPPENDALE NSW

- Designed and created a database using SQL to store and manage different water techs datasets.
- Conducted data cleaning and pre-processing to ensure data accuracy and consistency.
- Developed a dashboard using Tableau to visualize different data's and monitor key performance indicators.
- Conducted statistical data analysis and provided insights for various projects using R and Python.

MARKETING ANALYST   **Aug 2021 – March 2022**
EXPEDIA AUSTRALIA– SYDNEY NSW

- Analysed marketing data to identify trends, track KPIs, and provide insights to inform marketing strategy.
- Conduct market research to understand customer needs, preferences, and behaviours.
- Collaborate with cross-functional teams to develop and execute marketing campaigns.
- Monitor and report on campaign performance, including data analysis.
- Develop and maintain dashboards to track and communicate key metrics to stakeholders.
- Identify opportunities for growth and optimization through data-driven insights.

SALES REPRESENTATIVE   **July 2019–Aug 2020**
FOOT LOCKER– PARRAMATTA, SYDNEY

- Developed and maintained strong customer relationships.
- Worked with a POS system.
- Created reports about sales using Ms Excel and provided insights to managers.
- Developed proficient management skills, team work ethics and time management.
